

**TUBB-SCRUB**  
Tub and Shower Cleaner

**TUBB-SCRUB** makes shower stall cleaning easy! **TUBB-SCRUB** removes stains, discoloration and scale from shower doors, shower aluminum trim, wash basins and fixtures, bathtubs, fixtures and toilet bowls.

**DIRECTIONS FOR USE:**

**Shower Stalls:** Mix with two parts water or use full strength for heavy accumulations. Apply with rag, sponge or brush and keep surface wet with cleaner for a few minutes. Agitate lightly with a brush and rinse.

**Bathroom Fixtures:** Mix in spray bottle with 4 parts water. Spray on and wipe dry; rinse. Replaces scouring powder.

**Toilet Bowls and Urinals:** Push excess water from bowl. Swab with full strength solution. Flush and rinse

7664-38-2

**Additional Information**

**TUBB-SCRUB** Tub and Shower Cleaner is a unique product designed specifically for commercial cleaning. This heavy duty formula clings to vertical surfaces for maximum power and dilutes with water for less soiled surfaces and for routine maintenance. Safe on all fixtures, chrome and tile, **TUBB-SCRUB** is an extremely versatile cleaner. This is one product that is equally effective on scale, lime and hard water stains and on soap scum, body oils and grease. The high-performance nature of this product allows the user to clean heavily soiled restrooms 4 to 5 times faster than with conventional bathroom cleaners. No longer will you need one product for tubs and tile, another for shower stalls and a third cleaner for toilets and urinals. **TUBB-SCRUB** cleans all these surfaces quickly and easily and leaves a refreshing spearmint fragrance. Contact your local **AIS** representative for a demonstration.
