FOAM-TASTIC is a ready to use cleaner for many applications...

General Cleaning: Walls, washable surfaces, woodwork, tile, appliances, floors, etc., ready to use. Apply with sprayer or damp rag and wipe clean. Note: on walls always clean from the bottom up. Rinse floors before waxing.

Wax Removal: Ready to use. Apply liberally to floor and allow to stand until wax softens. Pick up solution and wax with mop. Rinse floor well. To prepare for waxing, rinse with water mixed with one tablespoon of vinegar.

Barbecue Grills & Ovens: Ready to use. Apply and allow to stand for 10 minutes. Brush where necessary. Rinse with clear water.

White Wall Tires: Ready to use. Spray on tires, allow to soak and wipe off.

Concrete Driveways: Ready to use. Spray on grease spots and scrub with broom or brush. Hose off.

Greasy Clothes or Grease Spots: Spray on product, agitate with brush or sponge and wipe clean.

Blood Stains: Dampen stained material in cold water, spray with product and gently agitate. Let set for 10 minutes and wash normally.

Laundry & Diapers: Add 1/2 cup of cleaner to your present detergent in washer.

Note: Always test for color-fastness on carpets and cloth products before cleaning.

Additional Information

FOAM-TASTIC Foaming Degreaser is the ultimate all-purpose spray cleaner. This unique product is fast and easy to use and has the power to tackle the toughest soils. **FOAM-TASTIC** is USDA authorized so it is the perfect choice for restaurant and food service applications. Use **FOAM-TASTIC** for cleaning tables, chairs, booths, bars, bathrooms, counters, cutting boards, prep tables, refrigerators, storage closets, salad bars, lounge areas, vending machines, etc. **FOAM-TASTIC** outperforms "fantastic" and "green" type products and is ready to use with no mixing necessary. This product is a liquid but comes out as a clinging foam when sprayed giving the benefit of increased contact time on vertical surfaces without costly aerosol propellants. The special formulation of this product make it safe on all bathroom fixtures, safe on plumbing, plastic fittings and all septic systems. **FOAM-TASTIC** is versatile making it ideal for businesses that clean a variety of areas such as: apartment complexes, office buildings, sports arenas, shopping malls, country clubs, mortuaries, refineries, food processing plants, rental car agencies, hotels, fitness centers, etc. **FOAM-TASTIC** is an effective product to use that is also pleasant to work with. Do not force your employees to use harsh chemicals, get **FOAM-TASTIC** instead.
