

Controls and Neutralizes Odors  
Meets all current VOC standards

## OCEAN AIR

**OCEAN AIR** is a dry air freshener designed to control odors caused from Nitrogenous & Sulfurous sources. It has a pleasant ocean breeze fragrance that is sure to attack odors from locker rooms, restrooms, school buildings, hotels, motels, office buildings, and other institutions that require odor control. **OCEAN AIR** is especially effective on odors caused by organic decomposition. **OCEAN AIR** is a specially formulated malodor counteractant that eliminates the toughest odors that linger even after the source of malodor has been removed. The light formulation travels with air flow and eliminates the odors where they hang.

### Directions for use:

Shake well before using. For use as an air freshener, hold can at arm's length and spray evenly throughout the room. For use as a malodor counteractant on items such as draperies, carpets, and other textiles, hold can 12 to 14 inches from surface and directly spray evenly over the surface to be treated. Do not spray near face or close to skin.
