FOR PROFESSIONAL USE ONLY.

CITRA SOLV

CITRA SOLV is a powerful blend of safe organic solvents especially designed to quickly remove and flush away dirt, dust, grease & grime from all types of surfaces with a great citrus scent. CITRA SOLV contains no chlorinated or fluorinated solvents making it an ideal product to use in an environmentally conscious situation or where highly toxic products are not suitable.

DIRECTIONS FOR USE:

Remove cap. Spray over the surface to be cleaned until area is completely saturated. Allow solvent to penetrate and soften soil.

Wipe or rinse with a second spray. On heavily crusted areas, use a brush. When cleaning electrical equipment, make sure equipment is off. CITRA SOLV may harm some plastics and painted surfaces. Test product in an inconspicuous area before using.

We at AIS are doing our share as a responsible company to help keep our natural resources and environment clear and clean. We are pleased to introduce our new line of earth friendly, biologically degradable products that meet and exceed our usual high standards of excellence and performance while still meeting your requirements as the end user.

Additional Information

CITRA SOLV Organic Safety Solvent Cleaner is a powerful natural solvent that is ideal for industrial use. In today's environmentally concerned workplace, using hazardous materials like 1,1,1-trichloroethane, kerosene, diesel fuel, gasoline and several other petroleum distillates as parts cleaners is desperately avoided. The safety of the employee in the workplace is a high priority in today's industries and CITRA SOLV Organic safety solvent is a safe replacement for petroleum distillates and chlorinated solvents. CITRA SOLV not only replaces other more toxic products but also out performs them. CITRA SOLV emulsifies heavy grease, tar, asphalt and is water rinseable. CITRA SOLV was specifically designed and manufactured to out perform electrical parts cleaners from other companies as well as all "gunk" type aerosol solvents while also providing to be a safer for the user and the environment. CITRA SOLV is one of the many EARTH FRIENDLY aerosol products provided by American Industrial Supply, Inc. All of which are packaged in recyclable cans that make it easy for the end user to help us protect our precious natural resources.
