

AIS-29 is a revolutionary new type of cleaner degreaser designed especially for the toughest oil and grease soils. This product easily emulsifies oil and grease soils normally hard to remove with butyl type cleaners and can be diluted with up to 100 parts water. Safe to use on all washable surfaces **AIS-29** is an excellent product to use with steam cleaners, pressure washers, and mechanical cleaning equipment. **AIS-29** is a nonhazardous material which makes it the ideal cleaner to use around any safety conscious facility.

DIRECTIONS FOR USE:

General Cleaning and Degreasing:

Dilute with warm water up to 100:1.

Heavy Grease and Grime:

Dilute up to 40:1, apply liberally, rinse.

Automatic Scrubbers: Dilute 40 to 1.

Pressurized Sprayers: Dilute 30 to 1.

Authorized by USDA for use in federally inspected meat and poultry plants.

Contains no hazardous ingredients as listed in the following references: (1) CFR 29, 1910.1000, subpart Z, REV 01JUL88; (2) The Director's List of Hazardous Substances (CA); (3) Threshold Limit Values and Biological Exposure indices for 1989-1990 (ACGIH)

Additional Information

AIS-29 Non-Butyl Cleaner and Degreaser is a breakthrough in chemical technology. This product combines features that would never before have been available in a single cleaner. **AIS-29** is a nonhazardous material which makes it easier to store and to use. Highly concentrated **AIS-29** can be diluted to a strength that makes any cleaning task a snap from degreasing a fifth-wheel plate to wiping down walls or cleaning restroom floors. Use **AIS-29** where other products have failed; grease, grime, tar, crude oil, sap, carbon deposits, scum, hydraulic fluid, bearing grease, etc. **AIS-29** will remove these soils from; metal, concrete, tile, linoleum, asphalt, carpet, fabrics, painted surfaces, plastics, etc. **AIS-29** has added surfactants, water conditioners, rust inhibitors, and anti-foam agents to make it the most complete and advanced cleaner on the market today. No other cleaner/degreaser product can match **AIS-29** in both power and economy. Dilution ratios up to 100 to 1 make this compound powerful and economical with the end-use mixture cost measured in pennies per bottle. **AIS-29** is an ideal product to use in conjunction with *AIS's Mixing Station System* which is available to the customer at no charge on qualifying orders. See your **AIS** Representative for details and free installation in many areas.
