NATURAL Citrus Base Sewage and Drain Cleaners a new trend formula that keeps pace with today's safety and environmental regulations. **NATURAL's** powerful degreasers and deodorizers are specially formulated to outperform the conventional hazardous solvent chemical degreasers. **NATURAL** instantly emulsifies grease, oil, fats, ink, decals, tar, asphalt, printing inks, etc., from all surfaces including concrete floors, equipment, trucks, motors and metal surfaces. **NATURAL** is also an effective drain cleaner, deodorizer and maintainer.

- Natural Citrus Base • pH Balanced
- Non-Acid, Non-Caustic • 100% Biodegradable

DIRECTIONS FOR USE:

For heavy-duty cleaning, degreasing and rubber tire mark removal on concrete floors, dilute product 1 to 9 with water until a uniform emulsion is formed. Let stand 2 minutes, scrub thoroughly then rinse off.

Surface degreasing: Add 2 to 4 ounces of **NATURAL** to 1 gallon of water. Apply by spraying, brushing or mopping. Allow solution to stand for 5 minutes. Rinse thoroughly. **NATURAL** may also be applied straight and pressure washed off with water.

Drain cleaning: Pour 6 to 8 ounces of **NATURAL** directly into clogged drain. Let stand for 1 to 2 hours. Flush drain with hot water.

To control severe odors dilute 2 ounces of **NATURAL** with 1 gallon of water. Mixture can be sprayed or mopped onto surface.

Areas for use include sewer plants, garbage trucks and dumpsters, industrial plants, restaurants, hospitals, schools, bathrooms and other similar areas.

Additional Information

NATURAL Citrus Base Sewage and Drain Cleaner is a concentrated natural solvent that dissolves grease, fats, oils and scum as fast and as completely as chlorinated solvents without the harmful side effects. Many drain maintenance products contain harmful solvents many of which are carcinogens and and dangerous to work with and to store. **NATURAL** is 100% biodegradable, contains no chlorinated solvents and is environmentally safe. **NATURAL** is a non-acid and non-caustic formula that is safe on all types of plumbing and septic systems plus will have no adverse effect on bacteriological action or treatments. So if you are using a product like **AIS's DEVOUR** or **AMER-BAC** as a preventive measure, **NATURAL** will not adversely effect their digestion of waste in any way. **NATURAL** is USDA authorized and is ideal for use in kitchens where dish washing chemicals can make enzymatic and bacterial treatments ineffective. Use **NATURAL** for garbage disposals that can get clogged with grease and fats and cause premature equipment failure. Simply pour **NATURAL** in the disposal at the end of the day and allow to work overnight. In the morning the grease is gone and the whole kitchen smells fresh and clean. Use this product in your mop bucket to clean greasy floors where **NATURAL's** power dissolves the build-up in the grout, eliminates the odor and continues to work as you pour the mop water down the drain. Nothing works better and nothing is safer to use than **NATURAL**. Contact your local **AIS** representative for a demonstration of this powerful **NATURAL** product.
