

GERM GOBBLER

**FAST AND CLEAN SANITIZING TOWELS
NO SOAP AND WATER NECESSARY**

GERM GOBBLER heavy duty sanitizing towels are a uniquely textured, FDA approved, disposable hand and skin sanitizing towel. Our special sanitizing formula is ideal for the industrial professional in that it eliminates the need for water and towels. **GERM GOBBLER** kills many disease causing germs and bacteria which are commonly found on many industrial job sites, school cafeterias, nursing homes and hospital. **GERM GOBBLER** towels condition hands while sanitizing and with its pleasant bacteria wintergreen fragrance it leaves hands smelling fresh after use.

DIRECTIONS FOR USE:

Use **GERM GOBBLER** towels as a supplement to regular hand washing. Thoroughly wipe hands and skin and discard in proper waste container.

DIRECTIONS FOR DISPENSING:

Remove lid. Pull towel from center of the roll and thread thru "X" on the underside of lid. Close lid pull towel at 90' angle. Snap hinged cap back into place to ensure towels stay moist

Additional Information

GERM GOBBLER is a heavy duty hand sanitizing towel which relies on a unique powerful formula that eliminates several disease causing germs and bacterial from the every day workplace. **GERM GOBBLER** helps eliminate such bacteria as: *Pseudomonas Aeruginosa, *Staphylococcus Aureas, *Salmonella Choleraesius, *Escherichia Coli, * Streptococcus Pyogenes. Within seconds of contact, **GERM GOBBLER's** sanitizing formula kills 99.9% of germs and bacteria found on skin. Unlike many of the runny sanitizing gels on the market, **GERM GOBBLER** does not cause a mess for the user. These towels make the ideal replacement when soap and water are not convenient or accessible. **GERM GOBBLER** towels are made from a non-abrasive fabric which is gentle to the skin, plus each towel is fortified with emollients and natural oils to prevent chapping. **GERM GOBBLER** is approved and registered with the FDA. Contact your local **AIS** representative for a demonstration.
