

**BUG GOBBLER
NO-MESS, EASY TO USE
INSECT REPELLENT TOWELETTES**

BUG GOBBLER is a convenient, easy to use insecticide towel combination that eliminates the need for messy and dangerous sprays. **BUG GOBBLER** is easier, faster and safer to use than spray repellents allowing users to apply repellent without affecting the eyes or mouth. With **BUG GOBBLER** users can apply a highly effective repellent exactly where it's needed most. They are perfect for protecting exposed areas without affecting the eyes or mouth. One step is all it takes to keep insects away for hours. **BUG GOBBLER** is also enhanced with aloe to keep skin smooth and soft, plus they can even be applied to clothes without causing stains.

DIRECTIONS FOR USE:

Remove lid. Pull towel from center of the roll and thread through X on underside of lid. Close lid. Pull towel at 90 degrees angle. Replace cap on lid. Snap hinged cap back into place to ensure towels stay moist.

Additional Information

With **BUG GOBBLER TOWELETTES**, users can apply a highly effective repellent exactly where it's needed most. They're perfect for protecting exposed areas without affecting the eyes or mouth. Just tear a pre-moistened towelette from our handy canister and wipe. One step is all it takes to keep insects away for hours. **BUG GOBBLER'S** are also enhanced with aloe to keep skin smooth and soft. Plus, they can even be applied to cloths without causing stains. **BUG GOBBLER'S** are also safe to the environment. Since there's no spraying, plants and grasses are never harmed by excess repellent falling from the air. **BUG GOBBLER'S** ward off the most bothersome biting insects including: mosquitoes, stable flies, chiggers, black flies, ticks, gnats, deer flies, and fleas. **BUG GOBBLER'S** come in a 40 count portable canister. They go anywhere bugs are found. Ideal for constructions sites, schools, road work, utility work and sanitation crews. **BUG GOBBLER'S** also contain the proven ingredient DEET. Contact your local **AIS** representative for a demonstration.
